Agenda Discussion

A) Shannon gave an in depth update on the trail systems, crown applications, MOT easements, Legion quotes, and other. See attachment on website for full report.

B) Legion

- Building is not salvagable and quotes were gathered to help project the budget and projected costs with taking it down and saving the stage.
- Stage is to be saved if possible and cover to be built over if feasible, quote to come
- Should be able to use and save a large amount of the material from the Legion demolition project to use in building the cover for the stage such as the roof.

C) Grants

- Look at grants for ball teams and apply to BVCU for \$1000 for uniforms
- apply to BVCU for \$500 for BBQ
- legacy grants are open for submissions again and have applied for grant for baseball

South Hazelton Community Association

Softball registration will commence in March, and applications will be.

E) New town council presentation, see attached.
